

MLQG Workshop with Darby Logan

July 18, 2023 at 12:30 p.m.

The July program will be a presentation by Darby Logan on rag dolls. She will be giving a brief history of rag dolls and sharing her own collection. Bring your own rag doll, if you have one. We would love to see it.

After the program Darby will share a pattern for a simple rag doll that could be put in a pocket on a child's donation quilt. If you have a donation quilt or quilt top ready to go we will also have some ideas for pockets.

Please text or email Sue Corcoran at 704-641-8114 or sue@scorcoran.com, if you plan on attending so we can be sure to have enough patterns and supplies. Even if you do not plan to make a doll, come for the program and stay to work on your own project and to enjoy the fellowship. See you then!

Materials list:

Sewing machine and supplies
Neutral thread
Needle and thread for a little hand sewing

We will have the following for your use:

Muslin
Assorted fabric
Stuffing
Embroidery floss for eyes and mouth
Yarn for hair
