September 2024

Message from the President:

Greetings!

I love this time of year! The angle of the sun is changing, the temperatures are dropping, and you can begin to see the color coming into the leaves. Classes are starting up again, children are enjoying the last days of summer, and almost all of them have a new pair of shoes! All the flowers and foliage in our gardens that we've enjoyed and worked so hard on are gradually coming to a rest. It's almost as if we have the chance to begin a new year. We can forgive ourselves for all the resolutions we haven't accomplished or create a new "to do list" of projects and opportunities. Here's hoping the second half of your 2024 is all you wish it to be!

Join us on Tuesday, September 3rd at 1:00 for our business meeting and program. We look forward to catching up so don't forget to bring your "show and shares."

Cheers!

Beth
